Pokemon Cards

We would like to remind you that we do not allow children to bring cards of any description to school. They cause too many distractions and can often get lost, causing a lot of upset and disappointment. We will confiscate any that we find and return them to a parent/carer.

School Dog

Benito, our school dog, has now visited all of the classrooms from years 1 – 6. The children really enjoyed meeting and learning more about him. Benny enjoyed it too! He is continuing with his training, which is going really well.

South Haringay School

Dear Parents/Carers,

New Website

We're excited to announce that we have a brand new website. It can be found at the same address as our previous site www.southharingayschools.co.uk. We are still adding content to it and will be adding new features as we move through the coming months. We hope you all find it a useful way to stay in touch with what is happening in school.

Changes to the School Day in the Infants

We have continued to get feedback on the changes to the school day in the Infants. We have had both positive and negative feedback from parents. In addition, we are also assessing the impact it has on the children and staff. We will be reserving a decision as to whether to keep the changes, modify them, or go back to our previous timings later this term. If your child is being collected by someone who has not collected before, please inform the office with this person's name and a password that they will have to say to the teacher when collecting your child. If you fail to do this before the pickup time we can't let your child leave with that person.

Book Fair in Key Stage 2

We apologise that our book fair this week was not as well publicised as it could have been. You still have a chance to come and buy some books on Tuesday afternoon after school. The fair will be in the junior hall.

School Office

The school office and admin team are now housed in the nursery building, with the entrance to the office on The Haringay Passage. You will need to direct all enquires to this office as there will no longer be any admin staff in either of the two main school buildings. If your child arrives to school late, or you need to collect them early, you will also need to go to this office.

Healthy School

We pride ourselves on the fact that, overall; our children are making healthy choices in regards to their school dinners and packed lunches. However, there have been a few isolated incidents in which children have been bringing in crisps, sweets and chocolate to eat during break. Please remind children that this is breaking our healthy school policy and that we will confiscate any unhealthy snacks and will return them at the end of the day.
