Food Tasting

There will be chance for you to taste some of the food that is prepared by our catering firm Pabulum at next week's parent/carer meetings. There will be food available to try in the Junior School on Tuesday, from 3:40pm, and the Infant School on Thursday from 4:30pm. You are welcome to come to either school and try on either day, regardless of when your teacher meeting is.

New TAs in Junior School

We have welcomed Carla and Hayley to the Junior School. Carla will be teaching Spanish to the children throughout the week. Hayley is currently assisting in year 5.

Dear Parents/Carers,

OfSTED

The Infant school had a one day inspection on Wednesday. We were visited by one inspector. She conducted a review of our teaching and learning, as well as our safeguarding arrangements. We cannot share the outcome with you at this stage as her judgements need to be quality assured by OfSTED. Once that happens, we will ensure that you all have access to her findings. Thank you to those of you that took the time to fill out the survey on Parent View. You can view the results of the survey at: www.parentview.ofsted.gov.uk/parent-view-results

Year 2 Open morning in the Juniors School

We sent a letter to parents/carers of year 2 children a little while ago about our Key Stage 2 open morning. This is an opportunity for you to visit the Junior School in readiness to make an application for your child to transfer to year 3. The meeting is not for the year 2 children – only parents/carers. If you do wish for your child to transfer to the junior school, you need to make an application via Haringey admissions. This is best done online at www.eadmissions.org.uk.

Anti-Bullying Week

This week was national Anti-Bullying Week. We had a series of assemblies in both the Infant and the Junior school. We reminded the children of our definition of bullying and reminded them all about what to do, and who to tell, if they think they may be being bullied, or they notice others being bullied. Our Anti-Bullying policy is on our website.

TAG Rugby

Well done to Kaieem, Ayden, Sumai, Max, Malieka, Ibrahim, Ashley, Finlay, Tula, Hattie, Lincoln and Cassius who represented our school in a Haringey TAG Rugby tournament yesterday at River Park. They all had a great time and played well. Look for photos on our website.

Water Aid

Water Aid, our charity of the year, provides taps and toilets to the children who need them most. The School Council would like us to show our support by raising funds for the "World Toilet Day." We would like to organise another "Wear blue for the day" on Friday 18th November and ask for a contribution of £1.00 donation for this very worthy charity.

Collecting Children

Please make sure you let school know who is collecting your child, even if it is another parent from the school who is known to us. It is very important that staff know in advance who will be collecting children in their class. In case of emergency please call the school office to let us know who is collecting your child.

Please also provide us, and the person collecting your child, with a password.

If you have a regular arrangement with other parents please let us know who you will allow to collect your child in your absence.

We must prioritise keeping your children safe and therefore all messages must be given directly to school staff. It is not acceptable for a member of staff to speak to someone on your mobile phone to confirm pick up arrangements. Thank you for your cooperation.

Parent/Carer Evenings

Next week we have parent evenings in both schools on Tuesday and Thursday evenings. You should have received your slip by now indicating you're the date and time of your 10 minute slot. Please contact your child's teacher, or the office, if you have not received notice of your appointment.
