## Eid Fair

Our Eid fair was huge success and we managed to raise £962 which has been sent to one of the charities that supports the refugees in Calais. A huge thank you to all of you that donated food and your time to support the fair. In particular thank you to our TA, Zohal, for organising the event.

## New Logo and Website

We are currently working with a company to design a new logo for South Haringay School. The children and staff are part of this consultation. We will be launching the new logo when we return in September. There will be no need to rush out and buy a new Junior uniform. We will have a transition phase where both logos can be worn. We hope to launch the new website before the half term in October.

Dear Parents/Carers,

## Welcome to South Haringay School

This is our first newsletter of the federated schools. We will now be known as South Haringay School. The first official day of federation is September 1<sup>st</sup>. All of the newsletters we send to you from now on will report on the life of the entire school.

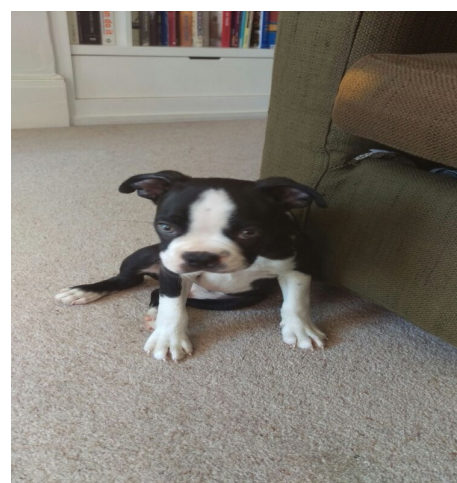

## New Classes

Below is table of the new classes for September and the name of the teacher that will be leading each class. All of the children have met their new teachers now. Parents/Carers will get a chance to meet them in the new school year. The children will be addressing teachers throughout the school by their first names from September.

## School Dog

Our school will be getting a school dog in September. The dog will live with Ian Scotchbrook and visit school each day. He won't start any of his special therapy jobs until he is quite a bit older and properly trained. No child will be forced to be near the dog. If your child is allergic to dogs, or you would prefer that they do not go near dogs for other reasons, please let us know.

### Start and end of the day

Earlier this year we changed the time that children in Reception, year 1 and year 2 can be dropped off in classrooms to 8:45am. This has proved popular and successful, so we will continue with this in September. We will be trialling a change to the end of the day for the same year groups. The school day will finish at 3:15pm for children in Reception, year 1 and year 2. This will support those families that have children in key stage 2, as they will no longer have to rush between playgrounds to collect children from years 3 -6.

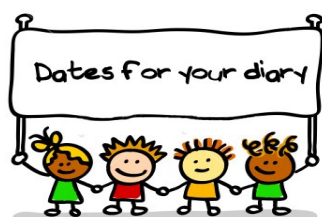

### New Governors

South Harringay School will have a new governing body. It comprises governors from the current governing bodies and some new governors. There will be more information about all of our governors published on the website in the new school year. The new governing body are:

Tessa Parsons, Polly Haste, Karen Tate, Erin Stephens, Yuk Lian-Hearne, Keith Pullinger, Adrenne Read, Naveed Kazmi, Michael Taylor, Iona Desai, Kelli Arnold, Harriet Gervasio, Ian Scotchbrook and Heather De Silva (associate governor).

### Dates for your Diary:

Summer term ends: Friday 22<sup>nd</sup> July 2016-children return to school:  
Wednesday 7<sup>th</sup> September 2016

### School entrance and admin team

This week we have started using the Infant reception area for both schools. Amina, from the Junior office, has joined Sunny and Cristina in this area. All parents/carers will need to go to the entrance, on The Harringay Passage, for all administrative support. This includes dropping off, or picking up, late children from all year groups.

### Summer Fair – Saturday 9<sup>th</sup> July

The summer fair was a fantastic day! It was a true community event that was enjoyed by young, old and those in between. As well as having fun, we managed to raise £8057. This amount included generous donations from Anthony Pepe Real Estate and our local Santander Bank. Thanks to all of you that helped us on the day. The school would like to thank Chanj Hunt who tirelessly led a huge group of volunteers before, during and after the event.

### Summer Reading Challenge

Don't forget to visit your local library and sign up for the summer reading challenge! All children aged 4-11 are able to take part and those that complete the challenge will receive a medal and a certificate. The theme this year is 'Celebrating 100 years of Roald Dahl!' It is free to participate, so visit your local library and start reading! To complete the challenge, you must read 6 books of your own choice over the summer holidays.
