Tuesday 29th November

OfSTED

The official feedback from our OfSTED inspection in the Infant School is still awaiting quality assurance. It should be ready to publish before the Christmas break. We will keep you posted.

South Haringay School

Dear Parents/Carers,

New Website

Our website has our most recent news items available for you to read about along with photos. We have also added some video clips of our children singing in assembly. Do have a look and let us know what you think. You can also check all upcoming dates for your diary and subscribe to the school calendar via the website.

Key stage 1 trips

Well done to year 1 and 2 for their trips this week to the Science Museum and the Transport Museum. You can see some photographs and find out more about what each class did on the school website in the news stories. Red class will also be going to the Transport Museum on Wednesday this week to look at the TfL Poster Art Collection and take part in an art workshop.

Water Aid

Thank you to everyone for dressing in blue for World Toilet Day – we raised £365 for Water Aid! Every class took part in activities to find out more about the importance of sanitation and clean water around the world. There is more information on the website in the news stories. We will continue to raise money for Water Aid throughout the year.

Parent/Carer Evenings

We have completed our first round of parent interviews for the year. If you did not manage to keep your appointment please make contact with your child's class teacher, or the office, to make a new appointment. We expect all parents/carers to attend these events to discuss their child's progress.

Year 2 Open morning in the Junior School

Tomorrow morning is our open morning for parents/carers of children that are considering the move to year 3 in our Junior School. This is an opportunity for you to visit the Junior School in readiness to make an application for your child to transfer to year 3. The meeting is not for the year 2 children – only parents/carers. If you wish for your child to transfer to the junior school, you need to make an application via
