Dear Parent/Carer

Re: Covid 19 (Coronavirus)

Government advice has changed and we have taken some new actions as a result:

- All planned school trips have been cancelled
- Our parent evenings have been postponed (no new dates yet)
- Our governors in school day has been postponed

There is new advice for all of us in regards to social distancing and self-isolation. There is a link to this guidance here: [Government advice](#)

Please note any one individual, adult or child, living in a household where someone has the following symptoms needs to isolate themselves for 14 days:

- A persistent cough (up to 4 hours)
- A fever (temperature over 37.8)

The school remains open. We do have some staff who are self-isolating and we have plans in place to cover their absences. We have no confirmed cases of Coronavirus amongst our staff or children.

The school remains a positive and happy place for the children who are able to attend. Teachers are sensitive to the fact that some children may be feeling concerned and are reassuring children appropriately.

We will continue to keep you updated as more information comes to hand.

Yours sincerely,

Ian Scotchbrook

Headteacher
