# South Haringay School

Dear Parents/Carers,

## World Book Day

This day was a great success with most of the children, and staff taking part in dressing up and getting into character. Thank you to parents/carers for all of your 'behind the scenes' costume preparations. There are some more fantastic photos on our website – please have a look.

Friday 10 March 2017

## Healthy School Status

We are pleased to have received the London Healthy Schools Bronze Award! The healthy schools programme is designed to help schools support pupil health and wellbeing. We hope to continue this work so that our children continue to make healthy choices and lead healthy lifestyles.

## Parent/carer meetings

These are taking place next Tuesday, 14<sup>th</sup> March and Thursday 16<sup>th</sup> March. Please see your child's teacher if you have not received confirmation of your appointment time. We expect every child to have a parent/carer attend a meeting this term, so please arrange another appointment if you are unable to make your allotted day and time.

## Appointments

We understand that at times, your child may need to visit the dentist, doctor or opticians. We kindly ask that you try to make these appointments outside of school time. If your child has an appointment during school time, please let our office staff know in advance. You will also be asked to provide proof of the appointment.

Children's author, Polly Faber, will be in school on Monday 13<sup>th</sup> March to do a special assembly for children in years 1-4.

## Healthy Food

In line with our healthy school status, we would like to remind you that we do not allow children to bring any fizzy drinks, sweets, crisps or chocolates to school. These are not allowed in packed lunches or at after school clubs. Please do not send them in with your child, or allow them to buy items like this on their way to school.

The school is a strict **nut free zone** to help protect our children with severe allergies. This includes peanut butter.

## Bags of Help

We are excited our application for the Tesco Bags of Help project has been selected as a finalist to receive funding to develop Forest School in the infants. Hadley is currently training to be a Forest School leader and we hope next year all year groups will be able to participate. Forest school will provide regular opportunities to achieve and develop confidence and self-esteem through hands-on learning experiences in an outdoor environment.

Throughout March and April you will be able to vote with a token every time you shop in Tesco - all local Tesco stores will be participating. We could receive as much as £5,000 to back this project so please spread the word and ask friends and family to vote for us!
