South Haringay School

Dear Parents/Carers,

Welcome Back

Welcome back from what we hope was a wonderful summer break for all of our families. It has been lovely to have the children back in school and we have been very pleased with the way the school year has started. We are especially pleased with the way year 3 has settled into the Junior School.

We have welcomed some new teaching staff; Grainne in Lively Ladybirds, Jessica in 3 Willow, Stephanie in 4 Cherry and Heather in 5 Magnolia.

We also have two new teaching assistants that are working in the Junior School: Lorenza and Harley.

Reception and nursery children will be joining us over the coming weeks.

Summer Improvements

We had a lot of work done to the school over the summer holiday. Our IT infrastructure was improved which has increased our Wi-Fi capabilities across the whole site. The Junior School classrooms have had their interactive whiteboards upgraded to bring them in line with the new boards we installed in the Infant School last year. There are more iPads for the children in both schools to use as well. The Junior School has had a lot of much needed decoration work done. It looks fantastic and now all of the children have their own locker.

Packed Lunches

We would like to remind you that packed lunches need to follow our school's healthy agenda. We do not allow children to bring crisps, chocolates or sugary drinks. For a more comprehensive list please see our policy available on our website: www.southharingayschools.co.uk/about-us/school-policy/policies/

In order to protect our children with allergies, we are a **nut free school**. This includes peanut butter.

KS1 curriculum/ information meeting

We will soon be holding information meeting for parents (see details below). This will give you an opportunity to meet your child's teacher and find out about class routines, timetabling and curriculum information. You will have an opportunity to ask any questions you may have. The meetings will be held at the start of the school day and repeated again in the evening for those parents with work or other commitments.

Friday 15 September 2017

Early Years Breakfast Club

We will be running a separate breakfast club for nursery and Reception children in the Nursery building (accessed through the Junior School playground) If you have older children in the school, they will continue to access breakfast club in the Junior Hall.

Infant school entrance/ exit

To ease congestion along the corridor in the mornings, could we please request that Y2 children on entering school walk along the downstairs hall and go up the staircase at the far end of the building.

At the end of the day, gates are open at both ends of the building. We encourage Y2 parents to pick up from the far end of the building to ease congestion at the entrance to the playground.

FREE OUTDOOR FILM SCREENING OF
