NSPCC

The NSPCC will be visiting school on Monday 19th to talk to key stages 1 and 2 on the theme 'Speak Out, Stay Safe.' We are also inviting all children in the infants to dress up as what/who they would like to be when they grow up and donate to this great cause.

Parent Wellbeing Meeting: Oral Health

The next Parent Wellbeing Meeting will be held on Thursday 22nd June from 9:15 until 10:15 am. In this meeting, we will be discussing how to best support your child with their oral health. There will be free goodies available to those who attend the meeting!

Wrap Splat Hat

The sunny weather continues so please make sure that your child is sun safe. Please **WRAP** their shoulders to protect them from the sun in a t-shirt (no thin straps please), **SPLAT** on some sun cream before school and wear a **HAT**.

Also, please provide your child with a bottle of water, clearly labelled with their name, in order for them to remain hydrated throughout the day.

Please also note flip-flops and open-toed sandals are not appropriate footwear for school. In the Junior School children wear black shoes as part of their uniform all year round.

Dear Parents/Carers,

Lost Property

As the weather is getting warmer, children are taking off their jumpers and cardigans more often and leaving them around the school. It would be helpful to label all clothing so that we can return clothing to your child. The lost property bin is overflowing with clothes. If you know your child has lost items of clothing, please check the lost property bin before we discard unclaimed items.

Manjit Returns

We are very pleased to announce that Manjit's health is greatly improved and she is back at school a few days each week. We missed having her around in the Infant School and are thrilled to have her back with us.

Art Week

All children in the infants and juniors have been taking part in Art week. The theme has been 'Best of British' and the children have been finding out about and working in the style of a focus artist:

Nursery and Reception: LS Lowry and Fred Yates

Year 1 & 2: David Hockney

Year 3 & 4: Bridget Riley

Year 5 & 6: Chris Ofili

The children have been using a variety of media to explore their focus artist in individual and group pieces. Each class has also painted a large canvas that we hope to display around the school soon. We are very impressed with the enthusiasm and quality of work we have seen across the school! Please check the website soon to see a gallery of photos in the news stories.
