South Haringay School

Dear Parents/Carers,

Nursery Places September 2017

We are accepting applications for **full time** and **part time** Nursery places. If you have a child that turns 3 before 1st September 2017, come and pick up an application from the School Reception. We are offering extended day care services from 8am until 6pm. Please submit applications before **April 30th 2017**.

Friday 24 March 2017

Healthy Food

In line with our healthy school status, we would like to remind you that we do not allow children to bring any fizzy drinks, sweets, crisps or chocolates to school. These are not allowed in packed lunches or at after school clubs. Please do not send them in with your child, or allow them to buy items like this on their way to school.

The school is a strict **nut free zone** to help protect our children with severe allergies. This includes peanut butter.

Digging day

Helping Hands needed to shift compost and bark-chippings on Saturday from 2pm - 4pm. Please bring a spade or wheel barrow if you have one. Children can help too!

Garden lover needed for Infant garden!

If you could spare an hour on Friday mornings from 10-11 am, then we'd love to hear from you! This is when garden sessions for small groups of children run in the sunshine garden. We plant, dig, tidy and especially enjoy the harvesting! For more information or to let me know you're interested in helping, please email Sarah at sarahlmower@hotmail.co.uk

New Uniform

We have updated our school uniform. The new items have our new logo and school name on them and look lovely. You can order online at tesco.com/ues. We will allow them to phase in gradually so there is no obligation to buy one immediately. Uniform is still optional in the Infant School. All Junior School children are required to wear a uniform.

Benito

This week, Benito had a lovely time in year 2 listening to some beautiful poems that had been written about him.

We have word that his mother is pregnant and is due to give birth in late May. If any families are interested in a Boston terrier puppy, we can pass on the breeder's details. The school is not on commission but the any new owner would become a relative to Benito!

Science week

This week the children have been investigating changes for Science Week. The week began with a visit from Freshwater Theatre Company. Years one, two, five and six received a visit from The Exploritorium. They learn about forces, motion and plant growth.

In Key Stage One the children have taken part in a range of activities including: making slime; designing parachutes to keep a boiled egg from breaking;

creating musical instruments; investigating the effect of vinegar on pennies and making bubbles.

In Key Stage Two the children have taken part in activities such as:

lemonade volcanoes; cabbage magic; exploring gravity defying water and lava lunacy.

The children have also visited Railway Fields to explore wildlife habitats and the changes in spring.
