

MAYOR OF LONDON

Mr Ian Scotchbrook
Headteacher
South Haringay Junior School
Pemberton Rd
London N4 1BA

Date: 27 June 2018

Dear Mr Scotchbrook,

Invitation to join my Schools for Success programme

Congratulations South Haringay Junior School. DfE data from 2017 shows your school has made fantastic progress with students that started behind their peers. I would now like to invite you to be one of my Schools for Success.

Schools for Success is a new programme I launched last year that gives exceptional schools like yours the chance to share their story. I want others to learn how you have helped your low-achieving students make progress in the top six per cent of London schools. It is clear you are doing something right to ensure all your students have a bright future.

To celebrate, I would like to invite you to a special event on **Friday 5 October at City Hall**. Please join us to pick up your school's certificate, and be recognised for your amazing work. Please register before 13 July and for more information visit: www.london.gov.uk/schoolsforsuccess.

Finally, I would like to extend my thanks and best wishes to the teachers, support staff and governors at South Haringay Junior School. I hope you will agree to join the Schools for Success programme and be a shining example to others of what can be achieved.

Yours sincerely,

Sadiq Khan
Mayor of London
