Tuesday 31st March 2020

Dear Parent/Carer,

We hope you are all staying as happy and healthy as you can, as we enter this second week of school closure.

Our numbers of children accessing our childcare provision at school has increased slightly this week, as some families have finished their period of self-isolation. All of the children have been beautifully behaved and our staff have had a lovely time caring for them.

Our catering company, Pabulum, have been told that they do need to continue to provide some service to the school during this period. So, the children accessing our childcare during term time can access a school meal. However, the menu is not as previously advertised by Pabulum, as they are limited to what ingredients they can source currently.

There will be some Easter holiday provision, for the children who qualify, due to their parent's critical worker status. We have written to all of these parents who we have currently registered about the Easter provision. Please contact us on by emailing admin@shsharingey.co.uk if you think you qualify, but have not been contacted.

We have been making plans for home learning after the Easter break and are looking to provide the children with a structured home learning program. We are currently developing 'Google Classroom', where the children will be set work on a regular basis and be able to interact with their teacher. We will be sending out usernames and passwords to all children via our text messaging service.

In the meantime, our website has a huge list of apps and websites which might be of help: [Home Learning Links](#)

Yours sincerely,

A handwritten signature in black ink, appearing to read "Ian Scotchbrook".

Ian Scotchbrook

Headteacher
