Dear Parent/Carer

Re: Easter Holiday Care

Dear Parents & Carers

I am writing to update you with proposed arrangements during the school Easter holidays which are due to start on Monday April 6th.

The government's advice remains the same: keep your children safe at home, if you possibly can. This includes critical workers who are working from home.

Also, any household where any person has a temperature or a persistnet cough must self-isolate for 14 days.

We are trying to find a way to provide some limited childcare during the Easter holidays (but not the public holidays April 10th and 13th). **This will only be for the children of critical key workers who cannot find any other source of childcare at home, and vulnerable children.**

This childcare may be provided at another local school and is likely to be more akin to a holiday camp using sports coaches rather than school staff. We are talking to North Haringay Primary about a possible link up, but nothing is confirmed as yet.

Please can you let us know by **Monday 30th March** if you would like to use such a service and, if so, for which days of the week. Remember it is only for the children of people doing vital work such as for the NHS. If you can, please keep your children safe at home.

Please email us at admin@shsharingey.co.uk indicating all of the of information detailed below.

Yours sincerely,

Ian Scotchbrook

Headteacher
