Dear Parents/Carers

We would like to invite you to a year 6 leavers assembly to take place at 4:30pm on Friday, 4<sup>th</sup> September. We know this is unusual day to hold this event, given your children will have already officially left us. But given all of the current restrictions on schools due to Corona Virus, it has not been possible for us to organise this before the summer holiday.

We do know that there will still be some restrictions in place in September as well, so we ask that you abide by the following guidelines when you arrive on September 4<sup>th</sup>:

- Only two family members, with each year 6 child, will be permitted to attend
- We will open the playground gate at 4:15pm. Please ensure you, and your child, are socially distanced from others
- We will layout chairs in the Junior hall to help maintain social distance and ask that you stay in your chairs and not mingle with others

Despite these rules, we want this event to be a happy event which celebrates your child's time here at school. We will provide the children will some gifts to commemorate their time at our school.

We really hope you and your child attend. We will send you a reminder text a few days before, but please mark it in your diaries now.

Kind regards,
