Dear Parent/Carer,

Year 1 Transition Visit

We have now arranged the transition visit timetable for all children in Reception to Year 5. The two hour transition visit will provide your child with the opportunity to say goodbye to their current class teacher, see their new classroom, meet their new teacher and take home their school books and personal belongings from their tray.

Children should be dropped off at and picked up from the infant school playground. When they arrive their teachers will be waiting to receive them. We ask parents to follow the one way system markings in the playground during drop off and pick up and remember to adhere to social distancing guidelines.

If your child is currently attending the key worker provision, they should continue to do so as normal on the day of their transition visit and we will arrange for them to visit their new classroom and see their teacher.

We would also appreciate if you could check for any school library books that may be at home and return them to school on the day of your child's transition visit.

Yours sincerely,
