Dear Parent/Carer,

We were all very excited to see the children, and you, this morning. Our staff are very happy to be welcoming the children back to school.

Thank you for your support with the new arrangements at the beginning, and end, of the school day. We have a few requests which will make the drop off, and pick up, safer for all.

- Once the staff member on duty announces it is time for your child's year group (bubble) to go in, please let your child enter promptly, and on their own.
- Once your child has gone in, please move away quickly so there is space for parents and children from the waiting year group to start lining up at the gate.
- Please follow these same procedures at pick up time; leaving with your child ASAP so there is space for other parents to wait.

I'm sure you will appreciate that these arrangements are unusual for us as well. We will continue to look for ways to refine the processes as we move through the coming weeks. Together, I am sure we can continue to create a safe, and welcoming, environment for our children.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Ian Scotchbrook".

Ian Scotchbrook  
Headteacher
