Dear Parent/Carer,

We were all very excited to see the children, and you, this morning. Our staff are so happy to be welcoming all of the children back to school.

Thank you for your support with the new arrangements at the beginning and end of the school day. We have a few requests which will make the drop off easier and safer for all.

- If you arrive before your drop off time of 9:05am, please wait on the other side of the road. Don't line up at the gate, as this creates too large a crowd, and too long a line.
- Once the year group (bubble), before yours has gone in, you can then cross the road safely.
- Wait for the staff member to announce it is time for your child to enter the school.
- Please follow these same procedures at pick up time; waiting on the opposite pavement until the staff member in charge calls you over.

Yours Sincerely,
