Dear Parents/Carers,

Year Reception, Year 1 and Year 2 Pupil's start and finish time changes

We have noticed that, as the children and parents have adjusted to the staggered start times, parents and children are waiting around longer than necessary to enter the school building. Although this has been manageable with the sun shining, the inevitable inclement weather may make this more of a problem as we move through the rest of the term. Therefore, we are going to shorten the gap between year groups at the start and end of the day. We feel that we can manage this safely and that this will enable the children to get into class sooner.

As from **Monday 21st September:**

Reception will start school at 8:50am and will leave at 15:00am.

Year 2 will start school at 8:55am and leave at 15:05pm.

Year 1 will start school at 9.00am and leave school at 15:10pm.

All children will still enter through the top gate on Pemberton road and any parents who enter the playground will use the one way system and exit through the bottom gate on Pemberton road.

In order for us to continue to maintain good social distancing, please ensure that you **arrive on time. Please avoid arriving earlier**, if possible. However, if you are early, remain on the other side of the road, opposite the school gates, until the earlier year group has entered the building. A member of staff will then ask the children to enter.

Yours sincerely,
