18 September 2020

Dear Parents/Carers,

Year 5 & 6 Pupil's start and finish time changes

We have noticed that, as the children and parents have adjusted to the staggered start times, Year 5 and 6 pupils are waiting around longer than necessary to enter the school building. Therefore, we are going to shorten the gap between year groups. We have decided to do this because we feel that we can manage this safely and that this will enable the children to get into class sooner.

As from Monday 21st September, Year 5 and 6 pupils should arrive at school by 9:00 am. They will leave school at 3:35 pm. Year 5 should continue to use the Pemberton Road gate and Year 6 the main gate on Mattison Road.

In order for us to continue to maintain good social distancing, please ensure that you **arrive on time**. **Please avoid arriving earlier**, if possible. However, if you are early, remain on the other side of the road, opposite the school gates, until the earlier year group has entered the building. A member of staff will then ask the children to enter.

We would like to remind you that children are not allowed on the climbing frame during pick up time and they should remain with their adult at all times.

Yours sincerely,

Ayse Thomas
