Online Reading Platform

Dear Parents/Carers,

Your child has recently been introduced to MyOn at school. MyOn is an online reading platform that is linked to your child's reading account. MyOn can be accessed from any desktop computer, iPad and android tablet by going to [www.myon.co.uk](http://www.myon.co.uk). Do make sure you access the UK portal. It is not suitable to use MyOn on a mobile phone.

Your child will be able to log-in to MyOn, read books at their level and chosen interests and take a quiz at home. This will allow your child to have better access to books.

Your child has been issued with a card to bring home which has their log-in details and should be able to show you how they log-in and how they are getting on. Please take time to look at this with your child.

Yours sincerely,

A handwritten signature in cursive script that reads "Ayse Thomas".
