Dear Parent/Carer,

We hope you enjoyed the half term break.

Our children, and staff, have all returned to school refreshed and keen to have a successful and enjoyable second half of the autumn term. We were particularly pleased to welcome the year 2 children, and staff team, back after their short isolation before half term break.

The news of the second lockdown is a point of concern for all of us. I wanted to reassure you that the school will be running in exactly the same way as we did over last half term. This includes all of our after school clubs, and our breakfast clubs, which will remain open.

Our measures to reduce the risk of infections have been working really well in the school. There has been no evidence of any school based spread of Covid involving the very small amount of positive cases we have had amongst our community.

If you have any difficulties associated with lockdown, please let us know. In particular, let us know if you are having difficulties with finances, housing or food. We may well be able to help you find support.

As staff we are feeling in a privileged position; we get to avoid the challenges of lockdown by coming to work each day. We love our jobs and we are looking forward to supporting community spirit in the lead up to Christmas and beyond. We are determined that our children have a festive half term - so expect more information soon on the seasonal fun we have in store.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Ian Scotchbrook".

Ian Scotchbrook  
Headteacher
