Wednesday, 14 July 2021

Dear Parent/Carer,

As a result of my conversations with Public Health Haringey, and the Head of Pendarren House, we have decided that we can plan for the Pendarren trip to take place next week, starting Tuesday, 20<sup>th</sup> July. We are optimistic that the trip will take place, but can't guarantee this due to the nature of having to deal with cases on a day to day basis.

All other arrangements will remain the same. Kelli Arnold will be writing to you on Friday to support parents/carers, of children attending, to make their final preparations.

If your child has tested positive to the PCR test you have arranged in the last couple of days, your child will not be able to attend the trip, as they will be required to isolate for 10 full days following their positive result. In this instance, a full refund can be arranged for any money paid from our office.

Children not attending Pendarren, who have tested negative, are able to attend school next Tuesday, at the usual time. There will be a range of fun, 'final week of school', activities arranged for them.

We are exploring some options which might allow all year 6 children to gather and perform their special assembly, but we are unable to guarantee that this will happen at this stage.

We will keep you up-to-date with any further changes. I thank you for your cooperation and patience during this challenging period.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "Ian Scotchbrook".

Ian Scotchbrook  
Headteacher
