

South Haringay School

Volunteer Working in School Policy

Member of staff responsible: Ian Scotchbrook

Date to be reviewed: Summer Term 2022

Volunteers at our school bring with them a range of skills and experience that can enhance the learning opportunities of pupils. Therefore, our school welcomes and encourages volunteers from the local community who can support our school's vision and values.

Our volunteers may include:

- Members of the Governing Body
- Parents of pupils
- Ex-pupils
- Students on work experience
- Ex-members of staff
- Local residents
- Friends of the school

The recruitment of new volunteers can take up to half a term and intake of new volunteers will be dependent on the candidate and available spaces within school. The smooth running of South Haringay School for South Haringay pupils will always be a priority. Senior Leadership maintains the right to refuse volunteers and also terminate placements.

The types of activities that volunteers engage in, on behalf of the school, include:

- Hearing pupils read
- Working with small groups of pupils to assist them in their learning
- Working alongside individual pupils, as an additional tutor
- Leading after school clubs
- Accompanying school visits

Vision and Values:

All adults / Young People who work in our school, whether a paid member of staff, or a volunteer are expected to work and behave in such a way as to actively promote our school values and educational purpose, as identified below –

Our values are: Respect, Honesty, Resilience, Contribution

Our Vision is:

Our school is a thriving village ready to welcome those who have travelled from near and far and need a place to belong.

Our village welcomes all people, and, those who struggle to feel at home will be enveloped within our heart, because time and care is taken to support those first tentative steps.

As village elders, we're excited by the variety that village life brings. We try to make every day better than the last.

We prepare our people for their time when they will join another village, or even create their own.

Becoming a Volunteer

Anyone wishing to become a volunteer for a one-off event (such as a presentation to a class about an area of expertise) usually approaches the class teacher first. The class teacher will support the potential volunteer with an initial discussion to explore the appropriateness of their volunteer offer and, if appropriate, signpost the volunteer to the relevant forms. These are then passed on to a member of the senior leadership team to make a final decision.

The school is likely to have advertised its need for regular volunteers, and applicants will refer first to this policy and then complete the necessary forms. If an individual wanted to offer themselves for a volunteering role they are free to use this policy for reference and submit the relevant forms to the office for review, and a decision. It is the school's decision to take on volunteers and this will depend on the time of year, the number of volunteers we already have in school, as well as the potential impact on any pupils.

We expect all volunteers to be competent speakers of English, and have reasonable levels of English literacy and numeracy. All volunteers will be asked to complete a short test so the school can be assured they are suitable for supporting children.

Volunteers should complete the Volunteer Application Form (appendix 1) with a covering letter requesting interest. (Appendix 1) with their contact details, types of activities they would like to help with, and the times they are available to help.

Child Protection and Safeguarding

Safeguarding is our priority and we following the safer recruitment guidelines to ensure that we are committed to safeguarding our pupils and we expect our volunteers to share that commitment. The process of recruitment of volunteers mirrors the safer recruitment of paid staff to ensure the most suitable adults for our school. A list of volunteers will be kept in the main admin office- this will be kept up to date and the responsibility of the Office Manager.

To ensure the safety of our pupils, we adopt the following procedures:

- All volunteers are given a copy of the Volunteer Policy and asked to sign a *Volunteer Agreement* (Appendix 2)
- All of our frequent volunteers must have been cleared by the Disclosure and Barring Service (DBS). A DBS Disclosure will be issued to the individual to present to the designated member of staff in school.
- Volunteers have a clear job description (Appendix 4) and their supervisors will address any concerns in their work
- Volunteers agree to the visitors' code of practice daily when they sign in at reception

On-line Safety

Online Safety relates to the teaching and learning of technology and through technology in a responsible and safe environment, focusing on raising awareness of the core messages of safe content, contact and conduct when using it. This can include accessing websites and online content, email, online chat rooms, mobile phones, gaming and games consoles, social networking sites, instant messaging (IM), viruses and spam. Volunteers, like staff are expected to follow the e- Safety Policy which is available from the main office.

Personal devices including mobile phones and wrist watch phones that connect to the internet should not be used in school during class time. Staff may not make or receive calls during teaching time. Use of phones or phone watches must be limited to non-contact time when no children present. Staff should keep devices out of sight in lockers, desks or cupboards when on school property. Staff must only use school owned devices for capturing, recording and storing data or photos of children.

Frequent or Intensive Volunteers

Activity which is described as 'frequent' or 'intensive' covers the meaning given in the Safeguarding Vulnerable Groups Act 2006.

'Frequent' – once a week or more often on an ongoing basis; and 'Intensive' – three or more occasions in a 30 day period, or overnight (between 2am – 6am).

Volunteers who are frequent or intensive need a DBS. If a volunteer does not have a DBS they should not under any circumstances be left with a child alone.

Volunteers for school visits

School visits are an integral part of learning at our school and afford many pupils opportunities which are outside their usual experiences. The class teacher or staff member leading the visit will brief the volunteer regarding the risk assessment, daily schedule and any other important pieces of information. The visit lead, who will be a staff member, has ultimate responsibility for the pupils. Pupils should never be left with a volunteer unsupervised.

Process for recruiting Volunteer who will be working frequently or intensively

- A) Volunteers will be directed to the school office and will be given the volunteer policy. They will be asked to complete Appendix 1 with a supporting covering letter and return.
- B) References will be requested

- D) Candidates will usually be attracted by means of a local advert/school communications system
- E) The candidate/s attend the school for an informal discussion with a senior leader to ensure the applicant is suitable for the role and a short test of their literacy and numeracy skills is completed
- F) Enhanced DBS check undertaken
- G) The volunteer will be made aware of the role and responsibilities they will be undertaking
- H) Two references should be sought where the volunteer arrangement will continue on a regular basis.
- I) Induction- school and corporate policies and documentation explained and issued. These to include Health and Safety, Safeguarding and Child Protection and Whistleblowing Policy
- J) Volunteer records to be kept in a central place within the school

Before starting to help in a school, a volunteer should complete the Volunteer Agreement (Appendix 2), which sets out the school's expectations of its volunteers and to confirm they have received a copy of this Agreement. The school will seek DBS clearance for a volunteer before they come into school, to make an informed decision when accepting volunteers to work with children. This is not required where a volunteer is engaged in a 'one-off' activity.

Work Experience/ Placement Students

South Haringay has a long-standing relationship with various local secondary schools, colleges and universities. We are happy to take students on placement if we have suitable experiences available. Secondary schools, colleges and universities wanting students to be placed with us need to formally contact the Head Teacher, or Deputy Head Teachers, outlining the aims of the placement and duration.

If the placement is as part of a teaching course (BA/ Bed. or PGCE) the Deputy Head Teachers will deal with further correspondents/ details. If the placement is just for work experiences purposes the school/ college is asked to provide the reference for the student and the student is requested to complete the volunteer's paperwork. South Haringay School retains the authority to refuse or terminate a placement to ensure the smooth of South Haringay School.

Confidentiality

Volunteers in school are bound by a code of confidentiality. Any concerns that volunteers have about the pupils they work with/come into contact with should be voiced with the designated supervisor and NOT with the parents of the child/persons.

Volunteers who are concerned about anything in the school, which may affect their work should raise the matter with the Head teacher or appropriate senior member of staff. Any information gained at the school about a child or adult should remain confidential.

Supervision

All volunteers work under the supervision of a teacher or full-time member of staff. Teachers retain ultimate responsibility for pupils at all times, including the pupils' behaviour and the activity they are undertaking.

Volunteers should have clear guidance from the designated supervisor as to how an activity is carried out/what the expected outcome of an activity is. In the event of any query/problem regarding the pupils understanding of a task, behaviour or their welfare, volunteers must seek further advice/guidance from their designated supervisor.

Health and Safety

The school has a Health & Safety Policy and this is made available to volunteers working in the school. An appropriate member of staff will ensure that volunteers are clear about emergency procedures (e.g. Fire Alarm Evacuation) and about any safety aspects associated with particular tasks (e.g. using D T equipment/accompanying pupils on visits).Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the designated Supervisor/School Business Manager.
