Dear Parent/Carer,

It is with regret that I have to inform you that Harriet Green will be leaving South Haringay School at the end of next week. Harriet is making her way to back to her home country of Australia to live.

She has been a real asset to our school, teaching many of our children and developing the school's teaching of art, as well as design and technology. We will miss her enormously.

Harriet has been providing support to several classes this year as an additional teacher, particularly in year 1. Manal will finish this year as the teacher of Blue class with Natalee continuing to teach Purple class.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Neil Reilly", with a horizontal line extending to the right.

Neil Reilly

Deputy Head teacher
