Wednesday 9<sup>th</sup> February 2022

Dear Parents/Carers,

### **5 Magnolia**

During 5 Magnolia's English lesson on Macbeth today, Nancy accidentally played the wrong video to the children and they may have heard a swear word. Nancy discussed her mistake with the children, apologised for the mistake and explained that she should have checked the video before playing it to them. The children have all been very mature about the incident.

As a school, we will continue to remind all our staff about the dangers of using outside content on the internet and checking links even if they appear to be from safe sources such as Britannica dictionary.

We appreciate your understanding on this occasion.

Yours sincerely,

*A Thomas*
