Friendly reminder

If your child decides that they would like a school meal instead of a packed lunch they can change their meal preference provided this is done per half term. In order to make this change, a form must be completed. You can get this from the office or by emailing us at: admin@shsharingey.co.uk

If your child is absent from school with illness, please remember to state their symptoms when leaving a message. If you state that your child is 'unwell' or 'sick' you may receive a call from us, this is because we need the exact symptoms to advise accordingly. If your child has any of the covid symptoms, we strongly advise you to test your child to prevent the spread of the virus.

South Harringay School

Dear Parents/Carers,

Apology

We're sorry we are publishing this newsletter a week later than our usual fortnightly schedule. Unfortunately, we have experienced high numbers of staff absence over the last few weeks and this has caused some operational challenges. We are now back on track.

Values – Respect

This term, we are focusing on the value of respect. Over the last couple of weeks, in our assemblies, we have focused on respecting differences and last week we looked at and discussed respecting our school environment. It would be great if you could ask your children about how they respect their environment at home, to help consolidate and extend their thinking.

Parent Meeting – Art/DT

Thank you to those of you who attended our Zoom parent meeting explaining our art and DT curriculum. Next half term, we will be scheduling a session on Relationships and Sex Education for parents. We will send you more details after the half term break.

Sports

On Thursday 20th January, some of our year 5/6 students participated in a Sports Hall

Athletics event. It was a brilliant day out with children taking part in different track and field events, some children competed in up to 4 different events! We unfortunately missed out on a qualification spot for the finals of this event but nonetheless, it was a great experience and the children had a great time competing. Well done to (Year 6): Isobel, Paloma, Suki, Penelope, Ayyub, Randy, Liam and Karis, (Year 5): Red,

Georgie, Barbara, Lily, Nahil, Rufus, James and Otis.

Make Harringay Home – community sponsorship of a refugee family

A group of local residents have joined together to sponsor a refugee family to settle in Harringay. Through the Government’s Community Sponsorship programme, they are applying to bring a vulnerable family on the United Nations refugee list to resettle in the area. As well as raising money, they will be working to find affordable rental accommodation and school places and assisting the family with English lessons etc when they arrive.
