Friday 4 March 2022

Dear Parent/Carer,

Ukraine

Some of our children are showing signs of concern and anxiety about the situation in Ukraine. When there has been a concern, our teachers have discussed the issue in a child friendly way to help reduce anxiety.

First News Education, a school newspaper we subscribe to, have offered parents a free link to this Friday's edition presenting the events in a non-sensationalised and unbiased way. They also showcase some of the positive actions and people that have come out of this terrible event.

Please click on this link to access this copy: [First News Education](#)

Yours sincerely,

A handwritten signature in cursive script that reads "Ayse Thomas".

Ayse Thomas

Deputy Headteacher
