

PEACE & LOVE SUMMER FAIR: THE THANK YOU'S

An enormous 'Thank you' to absolutely everyone who came and supported The Friends of South Haringay on Saturday. Whether you helped on stalls, set up, cleared up or spent your dosh, it is really appreciated and served to show what a wonderful community we are.

We had such a glorious day celebrating summer, putting the last two years of 'C who shall not be named' behind us and supporting the school, the anchor in our community that has helped keep us united in these strange times. The Love part of the theme definitely came through – it might not have been quite as peaceful as we advertised...

GRAND TOTAL RAISED: £8,618.24*

We also really wanted to shout out our Summer Fair Superheroes – the people who really helped make the fair that little bit more epic with their support and hard work.

[Rose Academy](#) – especially Adam, who not only provided two incredible prizes for the raffle but ran the activities on the day.

**DAVID'S MEAT
DELIVERIES LTD**

Peter from [David's meat](#) who donated our burgers, sausages and chicken, threw in some extra steaks and then sat in a refrigerated van outside the fair to ensure the meat stayed fresh from the heat!
