Dear Parents/Carers,

Today, your child has been given their school report to bring home. Please take the time to read the report with your child and congratulate them on all their successes this year.

In addition, Year 2 will have their SATs results included in the envelope we send today.

If you find you are concerned about anything in the report and would like to discuss this with the class teacher, please email the class teacher, via our school email above, to arrange an appointment.

Regards,

Yours sincerely,
