Dear Parent/Carer,

We would like to invite you to a meeting held by a representative from Haringey's school admissions team on **Thursday, 22nd September at 3:45pm in the junior school hall**, where you will be given guidance on applying for a secondary school.

As a school we do not handle any of the application process, but we realise that some of you might like a little advice. The responsibility for researching and arranging visits and the actual application rests with you.

If you are unable to attend the meeting, the main points which will be addressed at our meeting are:

- You will need to complete the application yourself and make sure it is submitted before the deadline of **31 October 2022**
- The **preferred method is an online application**-(www.haringey.gov.uk/admissions)
- You should take note of the open days for the schools you are interested in and **let us know in advance** if you to take your child along for a visit during school time
- If you live in another Local Authority you will need to use their admission service and should contact them for guidance
- You can put down schools in other Local Authorities on a Haringey form

We cannot write letters of support or recommendation to secondary schools – they will not accept them. A booklet, containing further information can be viewed, or downloaded, from www.haringey.gov.uk/secondaryadmissions We have also provided a table of the listed open events for each of Haringey's secondary schools.

Yours Sincerely,

Kelli Arnold
