#### Parents Evening & Open Afternoons

You should have already received information on how to book your parent meeting with the class teacher next week. Please look out for your child's Google Classroom Login card which will be sent home by the class teacher the working day before the parent meetings. The details on the card are the login details you need to login to Google Meets. This will ensure your child's name is displayed when you login and the teacher will allow you into the meeting.

Early in the Spring term, you are invited to come into school and look at your child's work, the displays around the school and visit the school. Your child will attend school as normal on the day but will be your guide once you arrive. We expect that there will be at least one parent/carer attending on the day. The dates for each year group are as follows:

**Year 6 Tue 10<sup>th</sup> Jan 2:45- 3:30**

**Year 2 Thur 12<sup>th</sup> Jan 2:30 – 3:15**

**Year 5 Mon 16<sup>th</sup> Jan 2:45 – 3:30**

**Year 3 Wed 18<sup>th</sup> Jan 2:45 – 3:30**

**Year 4 Mon 23<sup>rd</sup> Jan 2:45 – 3:30**

**Year 1 Wed 25<sup>th</sup> Jan 2:30 – 3:15**

Please ensure you put the date in your schedules.

#### Visits from other Schools

On Monday, we welcomed a visit from 8 senior teachers from other local Haringey Schools. They were keen to come and see how well we teach English; in particular how well our children, with English as an Additional Language, achieve in this area. They spent time in some of our classrooms and looked at some of our children's books. They were all very complimentary about our teaching and the learning across our school and thought our children's behaviour was fantastic.

## Dear Parents/Carers,

### RE

Last week, Year 1 had a special visitor come in and speak to each class about our new RE topic, Judaism. Our visitor shared special Jewish artefacts such as: a Torah, a tallit, a yad, a shofar and a mezuzah. The children had the opportunity to ask questions about Judaism and especially enjoyed hearing about the many festivals that are celebrated throughout the year. [You can see some photos by clicking here.](#)

### Congratulations

Gracie in year 6 has recently received special recognition at her swimming club. She received a Jack Petchey award and will soon receive a medal. [You can read more about it by clicking here.](#)

### Anti-Bullying Week

This week, we marked anti-bullying week. The week kicked off with an assembly to celebrate Odd Socks Day- adults and children throughout the school wore odd socks to celebrate what makes us all unique. The theme, Reach Out, was introduced during the assembly and across the week, children have engaged in a range of activities and scenarios that encourage them to Speak Out to Stay Safe. Although we are a school that has a zero tolerance policy towards bullying, we hope that anti-bullying week serves as a reminder to our children and adults alike whether it's in school, at home, in the community or online to continue to reach out and show each other the support we need.

### Sports

On Thursday 10th November a group of our students took part in the Haringey Schools Tag rugby tournament. Despite the majority only learning to play the game in September, the team performed brilliantly and were able to showcase the skills they have learned over the past term. We finished 3rd in our group, narrowly missing out on the quarter finals, but a big progress. We look forward to future tournaments. Well done to Lei, Walt, Georgie, Red, Malak, Beau, Rufus, Zahin and Otis.

On Friday 11th November another group took part in the Haringey Schools Tag Rugby Festival. This is a friendly tournament where teams compete against other schools to showcase their tag rugby skills. The group progressed very well as the day went on and picked up a lot of experience, scored some great tries and became a defensive unit throughout the festival. Well done to Reggie, Ignacio, Casper, Nahil, Kai, Francis, Lola and Carys. A special mention to Kai, who was one of the only year 4's to take part and was a standout player on the day.

### Governing Body

Our governing body meets at least once a term. Our governing body includes parents of children in our school, staff members and other members of our local community. If you are interested in understanding more about how the governing body works, you can observe one of our meetings. You won't be able to participate at all, but you can see and hear what we talk about and any decisions which are made. This year we are going to trial observations online. If you would like to observe our meeting on Wednesday, 7<sup>th</sup> December at 6pm via Zoom, please email [admin@shsharingey.co.uk](mailto:admin@shsharingey.co.uk) with a request. A link will be sent to you on the day of the meeting.

Bake Sale Success

Despite the first one of the year being cancelled, you certainly curbed your sugar cravings by raising over £500 for the school through cake sales on 15 November.

We had so many bakes we held an extra mini bake sale the next day - much to the delight of many.

Thank you to everyone who contributed to the event and who purchased our tasty treats.

ADVENTure Trail preparations underway

In 24 households, parents and their children who attend the school, are busily drawing, painting, sticking and gluing their artistic creations for this year’s living Advent window trail. A huge thank you to all 24 window volunteers that are ensuring this enchanting event continues this year.

Soon maps will be available to purchase for £3 on Classlist and you can follow the daily window reveals from 1 Dec on Instagram @advent\_n4.

All money will be donated to school. So, remember to buy a map, grab your coats and see what wonders lie on your doorstep. Or simply give a donation to show your appreciation for the hard-work that goes into each window display.

Jingle and Mingle - Fri 2 Dec, from 7pm @ The Salisbury on Green Lanes.

Invitations for this year's Christmas social have been issued on Classlist where you can buy tickets for £5. It promises to be a fun-filled night so have a well-deserved night away from the kids and chat with fellow parents. As usual, funds will go to support the school so you can buy extra tickets to contribute more. Looking forward to seeing you there!

Christmas trees that raise money

Here’s a unique way that you can celebrate Christmas and raise money for the school. Buy your tree from [www.christmasonthehill.co.uk/](http://www.christmasonthehill.co.uk/) and the North London-based, family-run company, will give a donation to our school. The bigger the tree, the bigger the donation! Enter this unique code at checkout: SOUTHARRINGAY22

Sounds treemendous!

Movie nights coming up

Parents of Years 1&6 can buy tickets for your child’s movie night on Classlist now. All tickets must be purchased in advance and your child will be treated to a snack and a drink to enjoy during the movie. Your child will be collected from class and taken to the school’s hall. If your child attends after school club they will be taken there once the movie ends.
