Contributions

We received a thank you card from The Royal British Legion for raising £166.73 for this year's Poppy Appeal.

The Tottenham Food Bank received the donations we collected before Christmas with thanks.

Attendance

On Tuesday, we send out a letter regarding attendance:

From this term onwards, we will not be authorising holidays in term time and you are likely to be fined if you take your child out of school in term time. There are a small number of exceptional circumstances under which travel abroad (or within the UK) during term time will be authorised. These include ill health or death of a family member. The school is likely to ask for some proof in these situations.

Nursery

We still have a number of full-time, and part-time, places available in our nursery this year. If you have any local friends who may be interested, please ask them to contact us and we can arrange a tour.

South Harringay School

Dear Parents/Carers,

Open Afternoons

We had the first of our open events this week. Parents and carers of children in year 6 and year 2 thoroughly enjoyed a visit to see their child's work as well as having their child guide them on a tour of the school buildings. The remaining dates are below:

Year 5 Mon 16th Jan 2:45 – 3:30

Year 3 Wed 18th Jan 2:45 – 3:30

Year 4 Mon 23rd Jan 2:45 – 3:30

Year 1 Wed 25th Jan 2:30 – 3:15

We do expect all children to have an adult present at these events. We are happy for the adult to be a grandparent or other relative if you are unable to make it.

Community Visit in Reception

Reception children had a wonderful visit on Monday from local opticians Parita and Ashish. They came to talk to us about good eye health - especially eating a "rainbow" of colours and getting enough time outside. They also talked about Kenya - where they were born. Ashish is a keen photographer and showed us lots of photos he has taken of giraffes, zebras and cheetahs. Thank you so much, both of you, for sharing your knowledge and culture with us.

They reminded us that eye tests are free for all children and you can visit them at the Optical Shop at 433 Green Lanes.

Art

This week, Year 3 had a wonderful time in their art lesson. They enjoyed experimenting with natural products that they collected in order to produce pigments to make different colours. They even used water, flour and spices to create their very own paint! [You can see some photos by clicking here.](#)

Values

This term, our value is respect and, in our assemblies, we will be exploring what this means to us. We will look at respect in terms of our learning, the environment, differences and how we talk to each other. Teachers will also look at and nominate children, who not only demonstrate the value of respect, but also support others to do so.

PSA news

Happy New Year to all our families, Friends of South Harringay wish everyone health and happiness in 2023!

ADVENTure Trail enjoyed by hundreds

This year’s Advent windows raised almost £2500 for the school but more importantly brought joy to hundreds of families who bought maps of the trail to walk over the festive period.

This incredible fundraising event even hit the front pages of the local newspaper.

We’d like to express our sincere gratitude to every window maker for their truly magical designs and to Liz Adams, event organiser extraordinaire, who worked tirelessly to bring the Advent trail to life and to Winkworth estate agents which were great sponsors.

Festive frolics at the Jingle Mingle

We so enjoyed seeing many of you at the Christmas Jingle Mingle event. I hope those attended agree that it was a fun, festive way to kick start the season and catch up with fellow parents at our favourite local, The Salisbury.

Once again, your generosity through ticket sales raised over £350 for the school. Thank you Marina and Dip Senupta for bringing people together.

AGM

We are holding our AGM on **Friday, 3 February at 2pm**. This will be held over Zoom so anyone can join. It’s a great opportunity to find out what we’ve been doing via our yearly round up and treasurer’s report as well as our plans for the future. We’ll also be electing new committee members.

More details will be circulated nearer the time.

MATHLETICS

Our mathlete for last week: Tilly 1 Red with 3550 points

Our mathlete for this week: David 5M 11,100 points

Our mathletics class last week: 5 Magnolia

Our mathletics class this week: 6 Maple

Accelerated Reader

Our star readers for last week: Thea 3 Willow

Our star readers for this week: Charlotte 3A & Alice 3W

Ariel 4 Poplar

Marlo 4Poplar

Pearl 5 Elm

Isaac 5 Magnolia

Dominic 6A

Casper 6 Acer

Quiz master class: 3 Acacia

Quiz master class: 3 Acacia

**Term Dates for 2023-2024 are now available to view
on our website**

Monday 16 January– Year 5 Open evening 2.45-3.30pm

Wednesday 18 January– Year 3 Open evening 2.45-3.30pm

Monday 23 January– Year 4 Open evening 2.45-3.30pm
