### Nursery

The application deadline for a nursery place next September is fast approaching. If you know of anyone in the area who might be interested in a tour of our nursery, we would be happy to show them around. Just ask them to contact our admin team:

### Governors

Next Thursday, we have our annual Governors in school day. Our governors will be observing our children's learning first hand. This gives them a greater understanding of the items we discuss at our governing body meetings, as well as providing them with an opportunity to ask more questions.

On the day, we will be holding our governing body meeting at 2pm. Anyone is free to observe the meeting. You will be able to watch and listen, however, only governors can participate. We can offer a zoom link to the meeting. If you would like to attend virtually, please let us know by email:

# South Haringay School

## Dear Parents/Carers,

### Trips

The children in both reception classes visited the Kentish Town Farm last week. They had a marvellous time meeting the animals and enjoyed themselves despite the cold and wet weather. Thank you so much to all of the parents and carers who came along to help the staff.

Year 1 had a great morning out of school last week when they visited The Little Angel Theatre to watch a performance of the 'The Instrumentals'. They have been writing about the performance in their English lessons. [You can see some photos here.](#)

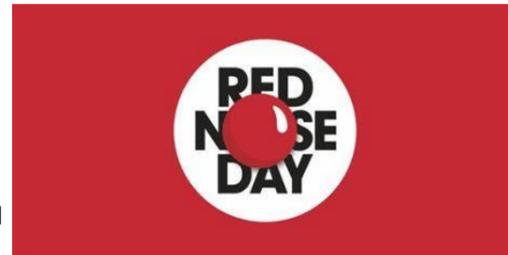

### Congratulations

Congratulations to Carys, Oscar and Alex from 5 Magnolia who have all recently passed their grade 1 piano exam. Although they all passed individually, they have been supporting each other in the lead up to their exams.

### Red Nose Day

We celebrated Red Nose Day today. Many children wore red clothes to school. We managed to sell all of the red noses we had purchased. We emphasised the message of charity to the children, and linked this to our school value of contribution. We also had a special assembly earlier in the week which highlighted one of the charities supported by Red Nose Day called Autism Angels.

**Reception Movie Night – Thursday 30 March**

Reception parents, get the date in your diary! Movie nights are great fun for your little one to watch a great movie with their friends while chomping on snacks and a drink – whereas you get precious extra child-free time for £3! What’s not to like?!

Tickets will be available to buy shortly on classlist. Children are picked up from the classroom and taken the hall to watch the movie. You will collect when the film finishes.

Can you help? We’re looking for volunteers to help buy and prep the snack bags and be there on the day to support the children. Please email [psa@friendsofsouthharingay.org](mailto:psa@friendsofsouthharingay.org) if you can lend a hand.

**Summer Fair -Saturday 17 June**

What better way is there to celebrate the King’s birthday than with a huge party?! YES the biggest event of the year will be taking place on Saturday 17 June (which is also coincidentally his Majesty’s special 2<sup>nd</sup> birthday).

There’s a bouncy castle, a BBQ, alcohol, crafts, face painting, stalls and prizes plus your kids even get the chance to pelt the headteacher with wet sponges!

It’s a lot of fun and we’re excited to start making arrangements. We need as many parents to help make this year’s more successful than ever. There are lots of roles to fill;

- Stall handlers
- Crafters
- DJ
- Face painters
- Graphic designers
- Decorators

And more...

Please email [psa@friendsofsouthharingay.org](mailto:psa@friendsofsouthharingay.org) if you want to be involved. Remember many hands make light work so the more we have on board the easiest it will be for everyone.

**Scotathon – Sunday 23 April (INFANTS ONLY)**

This popular event is fun for all the family. Your child will love riding their bikes or scooters around Chestnuts Park with their classmates while you get to bask in the sun (well hopefully). It’s an opportunity to get fit and raise sponsor money at the same time. How many laps do you think you can do?

Juniors will be invited to DIY their scotathon which can be done in small groups organised themselves or solo.

Sponsor forms will circulate soon – get your friends and family to dig deep!
