Dear Parent/Carer,

As many of you know the National Education Union has called for teacher members to take an additional 2 days of strike action. These two days will run consecutively on 15th and 16th March.

I have now completed a risk assessment based on the information I have about staff attendance on that day. The outcome of that assessment is that the **school will be closed to all children on both Wednesday 15th March and Thursday, 16th March 2023**. This includes all before, and after, school clubs on these days.

I acknowledge that this will be an inconvenience for many of you. We will look forward to welcoming all children back into school on Friday, 17th March.

Yours Sincerely,
