Dear parent/carer,

Bikeability Training

The school has now allocated all the Bikeability training places for the week beginning 15th May and the children attending have received confirmation of their places. There are a few children who missed out on this round. Fortunately, we did plan for a second round should the interest be greater than offered in the first round.

In order for us to have a second round we must have at least another 14 pupils to secure the course at our school. So if you missed out on round one and would like your child to take part in the second round, please complete the form that will follow separately and return to the school office by Wednesday 3rd May if you haven't done so already.

If your child does not have a bike of their own but is able to ride a bike, the local authority will provide a bike for them to use in their training week.

Round 2 is expected to take place on 4th June – 7th June.

Yours sincerely,
