Safeguarding

Last Friday, we had Tony Hartney C.B.E. visit us for the day. Tony retired from his post as Headteacher of Gladesmore Secondary School last year. He is now performing a range of school improvement roles, which include providing a thorough audit of schools' safeguarding practise and procedures. Tony was very impressed with the quality of safeguarding at South Haringay. He was particularly pleased with how well our children behaved and understood how to keep themselves safe.

School Streets

We have word that the start of the proposed School Street has been delayed while the Local Authority considers the feedback received during the consultation period. It has been suggested that the earliest the start would be is in June. We will write to you with further information once we are informed.

SRE workshop

We held our workshop for parents on our Sex and Relationships Education curriculum last week. It was a popular event. There was an opportunity to ask questions and view some of the resources we use. If you missed the event and you still have questions, feel free to speak to your class teacher at pick-up time or email us and we can arrange for someone to contact you.

South Haringay School

Dear Parents/Carers,

Sport

Last Saturday, 75 of our children travelled to central London to run in the Mini London

Marathon. 40 Children in Reception to Year 4 took part in a 1 mile race and another 35 children in year 5/6 took part in a 2.6km race. It was a brilliant day out and a fantastic experience for all those lucky enough to be able to take part. Our runners ran through part of the historic London Marathon course and finished through the same finish line where all runners in the full London Marathon finish.

We are so proud of all of our runners who not only enjoyed the day out but put up some very impressive times in the event. We look forward to competing again in next year's event. Well done to everyone who took part and a special thank you to Adam, from Rose Academy, for organising and supporting on the day. [You can see some photos by clicking here.](#)

Our Year 3/4 gymnastics team took part in the haringey gymnastics championships on 26th April. It is a great event where each gymnast takes part in 3 routines which they have been learning. They are floor, body management and the vault. Our 4 gymnasts performed brilliantly and really impressed during their routine. We finished 9th out of all schools in Haringey. A huge well done to Year 4: Elena, Dougie and Benjamin.

Year 3: Alice

Trips

Red class had their trip to St Paul's Cathedral this week. The children have been looking forward to this trip for many weeks, due to a cancellation last term. They all had a wonderful time and behaved beautifully. Thank you to the parent/carer helpers who accompanied them. [Click here to some photos.](#)

Monday 1 May– Bank holiday **school closed**

Tuesday 2 May– Teachers strike **school closed**

Monday 8 May– Bank holiday **school closed**

Tuesday 9 May– Reception local trip to Railway Fields

Friday 19 May– Class photos

Friends of South Haringay News

Round up

Before Easter we held a Reception Movie Night and a delicious bake sale. We raised over £600, a record breaking sum, through the sale of your cakes and almost £170 through movie ticket sales! Thank you for your donations.

New PSA Chair needed

Lucy Morris, our current Chair will be stepping down at the end of the Summer term. If you have the passion and drive to support the school, as Lucy has shown, then you could be our next Chair. Lucy is happy to share her advice and experience, which has been extremely rewarding, so please get in touch at psa@friendsofsouthharingay.org

Thank you Riders

Thank you to everyone that took part in the scootathon, luckily the rain held off and all the children were determined to do many laps with quite a few doing over 20! If you didn't get a chance to come along you could still DIY this weekend please let us know and your child will still get a certificate. Certificates will be going to school next week so please can all sponsorship money be paid using the link below. We are getting matched funding for this event so everything that is donated (up to £500) will double.

Summer Fair 17 June

Hopefully the date of the fair is in your dairies. The theme this year is 'friendship'. Now we need to make it the best fair ever!

We have lots of jobs and ways for parents to get involved.

Prize donations

We need prizes for the raffle- some come from local businesses but perhaps you can offer something too from your company or own connections? All donations welcome.

Toys, books, clothes

Time for a clear out! If they are in near perfect condition, i.e not broken, stained or ripped we want them. All donations to the school office please.

Sign up sheets

We will be putting a list of the stalls and jobs needed to be completed on classlist. Please take a look and put your name down for which ones you're happy to help with. Many hands make light work so we need everyone to be involved. There are big and small jobs so plenty of ways to help.

Corporate Match Funding

Our fundraising benefits massively from corporate match funding and benefits in kind. If your organisation has a scheme we can apply to, as a registered charity, please let us know!

If you have any questions about the fair or want more information on how to get involved email psa@friendsofsouthharingay.org

Our mathlete for last week: Ethan Yellow class 4160 points

Our mathletics class last week: 6 Maple

A special mention to Gul, in 6 Maple, who managed to score 1360 points last week. Well done Gul!
