Dear Parent/Carer,

As many of you will know, members of National Education Union voted to reject the pay offer the government presented last month. As a result, the Union has called on its members to take further strike action. The next proposed strike day is next **Thursday, 27<sup>th</sup> April.**

I have now completed a risk assessment based on the information I have about staff attendance on that day. The outcome of that assessment is that the school will be closed to all children next **Thursday, 27<sup>th</sup> April.** This includes all before, and after, school clubs on these days.

I acknowledge that this will be an inconvenience for many of you. We will look forward to welcoming all children back into school on Friday, 28<sup>th</sup> April.

Yours Sincerely,
