School Council

School council is organising a non-uniform day to raise funds for the Turkey and Syria Earthquake Appeal. Like last time, the Disaster Emergency Committee (DEC) is our chosen charity that the donations will go to. Non-uniform day will be held in the last week of this half term-**Tuesday 23rd May 2023**. If you can, please bring in a donation of £1.00 to support this worthy cause.

Monday 15– Friday 19 May

Walk to school week

Monday 15– Friday 19 May

Bikability for year 5

participants

Friday 19 May– Class photos

Monday 29– Friday 2 May

Half term (**no school**)

Monday 5 June– INSET day

(**no school for children**)

Saturday 17 June– Annual

Summer Fair

Monday 26 June– Junior

Sports day

Tuesday 27 June– Infant

Sports day

Dear Parents/Carers,

Feryal's Crafty Creations

On Friday 28th April, we held our special exhibition to honour and remember our much-loved nursery teacher, Feryal. We displayed all of the fabulous entries into 'Feryal's Crafty Creations' in our nursery playground. We also laid out all of the wonderful hand-crafted resources, made by Feryal herself, inside the nursery. We are amazed by the creativity and care the children and families have shown in creating these beautiful resources for our youngest children. Feryal's family came along and really felt the love our community has for their wonderful, wife/mother/brother/cousin. We also had our new olive tree on display, which is dedicated to Feryal. Next year, Nursery will be known as Olive class. [You can see some photos of the event by clicking here.](#)

Walk to School Week 2023

Next week (15th - 19th May) is Walk to School Week. We would love for as many children as possible to take part in this five-day challenge by walking, wheeling, cycling and scooting to school. Children will collect stickers each day they travel actively to school and will learn about the positive impact walking has on people, communities and the planet.

The theme this year is 'Walk With Wildlife'. Haringey Council are asking pupils to take photos of all the different wildlife creatures they see on the way to school, in order to contribute to a class collage and the possibility of the school winning a solar-powered wildlife camera and wildlife house, a bat box or a bird box.

Please email any wildlife photos to admin@shsharingey.co.uk and include your child's name and class in the body of your email.

Trips

On Tuesday of this week, both Reception classes went to Railway Fields to explore our topic -minibeasts- in action. We found lots of different types of minibeasts in the pond. We even found a 'water hoglouse' and a 'red water worm'. Under logs, we found: woodlice, centipedes and even a spider. Then, we were little scientists looking at them carefully under magnification.

TOP-TIP from our children: "If you want a great place to go after school, go there on a play-date."

It really is a wonderful local treasure that is worth an explore. Railway Fields is open until 5pm each day. [Click here to see some photos.](#)

Friendly Reminder

If your child is registered to attend The Green after school club and will not be attending because you have chosen to pick your child up directly after school, please let the office know by calling or emailing.

Friends of South Harringay News

Summer Fair 17 June

Hopefully the date of the fair is in your dairies. The theme this year is 'friendship'. Now we need to make it the best fair ever!

We have lots of jobs and ways for parents to get involved.

Prize donations

We need prizes for the raffle- some come from local businesses but perhaps you can offer something too from your company or own connections? All donations welcome.

Toys, books, clothes

Time for a clear out! If they are in near perfect condition, i.e not broken, stained or ripped we want them. All donations to the school office please.

Sign up sheets

We will be putting a list of the stalls and jobs needed to be completed on classlist. Please take a look and put your name down for which ones you're happy to help with. Many hands make light work so we need everyone to be involved. There are big and small jobs so plenty of ways to help.

Corporate Match Funding

Our fundraising benefits massively from corporate match funding and benefits in kind. If your organisation has a scheme we can apply to, as a registered charity, please let us know!

If you have any questions about the fair or want more information on how to get involved email psa@friendsofsouthharringay.org
