Dear Parent/Carers,

**RE: Tapestry**

As you may be aware, our reception and nursery classes use an educational platform called Tapestry to record and share your child's learning experiences with you. Each child has their own individual Tapestry account which parents and carers can log into to see their child's learning journey. You can find out more information about Tapestry by clicking this link: [Online Learning Journal For Early Years Education | Tapestry](#)

From time to time we may share a picture of your child learning with their class.

If you wish to opt out of your child's image being used on this platform, please contact us as soon as possible by email or phone as above.

Your sincerely,

A handwritten signature in black ink, appearing to read "Amina Joseph", is enclosed in a light grey rectangular box.
