

Thursday, 17th June 2023

Dear Parent/Carers,

We are changing the names of our classes in the Infant School so they follow the same theme as the Junior School. From September, they will all be named after trees:

Current Name	New Name
Nursery	Olive
Busy Bees	Holly
Lively Ladybirds	Rowan
Blue	Birch
Purple	Oak
Red	Chestnut
Yellow	Ash

Another change from September will be the introduction of sports houses in the Junior School. We will have four houses and each will be represented by a different colour: red, blue, green, yellow. Children will be allocated to a house. They will be able to earn points for their house through sports competitions and through other tasks.

We would like your help in choosing names for these four houses. You could pick a theme related to our curriculum, or some local significance. Then chose four names derived from that theme.

Please send your suggestions to admin@shsharingey.co.uk with the subject line house names. The deadline for submissions is midday Friday, 30th June.

Yours sincerely,

Ian Scotchbrook

Head teacher
