#### **Young Artists' Summer Show 2023**

As per our last newsletter, three of our pupils: Euan (5 Magnolia); Sofi (4 Poplar); and Billy (Red Class) were accepted into the Young Artists' Summer Show 2023 online exhibition. You can view their fantastic art work and also vote for your favourite artworks.

Voting closes on **31 August 2023** and the winners will be announced in September.

Here are the links:

#### **Vote for Euan's Art work:**

#### **School Streets**

The implementation of the School Streets program for Mattison and Pemberton Road now looks set for October. We will write to you with more news once the council gives us more information.

# South Haringey School

## Dear Parents/Carers,

### **Farewell Year 6**

Although today is the official final day at South Haringey for our year 6 children, we have been enjoying a full two weeks of celebrations and events. Last week they performed Peter Pan to other pupils first (including year 2), followed by a performance for parents and carers. It was a superb show and you can see [some photos by clicking here](#). The children then enjoyed a farewell disco last Friday.

This week, most of the children have been away at Pendarren in Wales where they went trekking, caving and zip lining.

We wish all of year 6 the best of luck at Secondary School in September.

### **Trips**

Year 4 visited the Natural History Museum and were involved in a workshop where we learnt about Volcanoes and Earthquakes as they continue with their last Geography unit of the year on earthquakes. The workshop used interactive demonstrations to teach about tectonic plates and the impact they have on the environment when the geological forces push against each other. The children became scientists and helped to save 'Volcano Town' from disaster! They also got to meet brave and wonderful Barbie in her heatproof suit. Both classes were awarded with a NHM accredited Diploma in Earthquakes and Volcanoes. You can see [some photos by clicking here](#).

Year 5 travelled to South Kensington to visit the Natural History Museum, where they took part in an amazing workshop. The workshop began with an engaging slide show focused on Mars, where the children were able to share their knowledge on our solar system. After this, the children began discussing the 'Mars Rover' which is a motor vehicle designed to travel on the surface of Mars. They then designed and create their own Mars Rovers. You can see [some photos by clicking here](#).

### **Music**

Two weeks ago, year 4 participated in a very special concert at Alexandra Palace. The event was organised by Haringey Music Service where pupils from four Haringey schools attended and showcased their amazing instrumental skills that they have learnt this year. The children were brilliant and performed beautifully. We were particularly pleased as the children in the year 4 classes had never attended each other's concert and this was a fantastic moment where they got to do this. You can see [some photos by clicking here](#).

### **Sport**

Our Year 4 Cricket team took part in the final sports tournament of the 2022/23 school year on 11th July and ended a brilliant sporting year for South Haringey with a bang. Despite losing our first match against Rhodes Avenue, our team went on to win the next 6 games in a row to finish 2nd in the league and qualifying for the final. **Sport section continued on next page.....**

**Sport continued..**

We played Rhodes Avenue again in the final and unfortunately were beaten by a very good team. However, our year 4s should be extremely proud as they played fantastically throughout the tournament and will keep improving as a team.

Well done to Marlo, Arlo, Arlo, Dougie, Sahara, Zac, Joseph, Ethan, Emma and Nell.

Our Year 5 football team took part in an exciting new mixed tournament on Tuesday 26th June where 3 boys and 3 girls play in a team. It was a fantastic tournament and our team impressed throughout the group stage, finishing 2<sup>nd</sup> and qualifying for the quarter finals. We then drew 0-0 with eventual winners Muswell Hill, who beat us on penalties.

Congratulations to Carys, Aya, Oscar, Hadi, Billy, Sahara, Alex, Lola, Zeki, Beau and Joseph

On 27th June some of our year 4 students took part in a cricket festival at Highgate Cricket club. This festival gives children who don't usually play competitive cricket a chance to learn and compete against other schools. Our team played many different schools on the day and had some very impressive performances.

Well done to Nell, Ariel, Rashko, Dimitros, Hugo, Robin, Reekoe, Cass, Vitor, Benjamin and Caleb

**We hope you all have a wonderful summer break and look forward to seeing you on Tuesday 5th September.**
