Dear Parents/Carers,

Tomorrow, your child will be given their school report to bring home. In addition, the teacher assessment of reading, writing, maths and science for children in Year 2 will be included in the envelope we send.

Please take the time to read the report with your child and congratulate them on all their successes this year.

If you find you are concerned about anything in the report and would like to discuss this with the class teacher, please email the class teacher, via our school email above, to arrange an appointment.

Regards,

Yours sincerely,
