Dear Parent/Carer

A warm welcome back to school to all of you. We have had a really positive start to the year for the children in year 1 – 6 today, as well some of our nursery children. We're looking forward to welcoming our new reception children over the coming weeks.

I want to reassure you that our school is not affected by the RAAC (concrete) issues many of you would have been hearing about in the media recently. Haringey completed a survey of all local schools last year and only a very small number are affected. We are not one of them.

I look forward to catching up with many of you on the gates soon.

Yours sincerely,
