06 Septmeber 2023

Dear Parents/Carers,

As advised back in July, Year 5 pupils will be having their swimming lessons from 7:45am – 9:30am on Tuesday mornings. This means some children in Year 5 will be starting school on Tuesday mornings at 7:45am each week, followed by a second group at 8:15am and a third group at 8:45am.

The groups for the swimming sessions have been created and your child will be attending their first swimming session on Tuesday 12 September in **Group 1** and is required to be at the **swimming pool gate on Mattison Road** at **7:45am** where Kelli will collect them and take them to their swimming session.

Your child will need a swim suit or swimming trunks, a towel and a swimming hat. Your child can use swimming goggles if they wish to. You can also pack a small, quick to eat snack for your child to have after their swim session.

Once your child has finished swimming, a member of staff will escort the group to their classroom.

Please ensure you arrive on time so that your child does not miss any of their swimming time.

Yours sincerely,

A handwritten signature in black ink that reads "Ayse Thomas".

Ayse Thomas

Deputy Headteacher
