RE: Individual photographs

As you may already be aware, Junior children will have their individual photos taken on **Thursday 19th October** and infant children (including nursery) on **Tuesday 31 October 2023**.

If you have siblings from the same school, our staff will arrange for your children's photo to be taken together.

If you have siblings across both schools you will have the opportunity for both your infant and junior child's photo taken together on **Thursday 19 October** between **08.00am- 8.55am. Please enter from the gym gate on Pemberton Road.**

We ask for children in years 1-6 to wear their full school uniform as always and their best smiles!

Yours sincerely,

Admin Team
