Dear Parents/Carers

**Re: The Green price increase**

This letter is to advise you that the price of The Green (our after-school provision), will increase from January 2024:

- Children in nursery and reception (EYFS) will be charged at £17 per day
- Children in years 1 – 6 will be charged at £15 per day

This price increase is needed to meet inflationary pressures on the school's budget. The difference in price for EYFS children takes account of the additional staffing needed to meet the pupil staff ratios for children of this age.

As always, we expect families to keep their Parent Pay accounts, or voucher payments, in credit.

We have employed additional staff to increase the capacity of The Green. There will be additional children invited to join The Green starting after the coming October half term.

Please feel free to contact the school if you have any questions or concerns.

Kindest regards,

*Mike Gordon*
