Dear Parents/Carers

Breakfast Club Service price increase

We are writing to inform you that there will be an adjustment in the pricing for our Breakfast Club service, effective from January 2024.

The current price of £3.00 per day per child will be revised to £4.50 per day per child. This decision has been made in response to inflationary pressures impacting the school's budget. The revised pricing is necessary to ensure the sustainability of the Breakfast Club service, allowing us to continue providing our pupils with a healthy breakfast to kickstart their school day.

We understand that any change in pricing may raise questions, and we want to assure you that this adjustment has been carefully considered to strike a balance between meeting our financial needs and providing a valuable service to our pupils.

As always, we kindly request families to maintain their Parent Pay accounts or voucher payments in **credit** to facilitate a smooth and efficient process.

If you have any questions or concerns regarding this price adjustment, please do not hesitate to contact the school. We value your understanding and continued support as we work to enhance the overall well-being of our pupils.

Kindest regards,

Mike Gordon
