Dear Parent/Carer,

As you know, Haringey have been providing schools with additional funding so schools could provide supermarket vouchers to families entitled to Free School Meals. These vouchers were provided over school holiday periods when children were not in school and able to take advantage of the meals provided by school.

Unfortunately, Haringey have announced that this funding will stop during the upcoming Easter Holidays. They will be providing us with enough funding to allow us to send you vouchers for one week of this holiday. After that, I am afraid that we will not be able to send you anymore vouchers.

We appreciate that this may be difficult news for many of our families. If you are concerned about managing financially, we would encourage you to make an appointment to talk to us. While we will not be able to provide supermarket vouchers, we may be able to support in other ways.

If you would like to talk, email or talk to our staff in the office and ask for an appointment to meet with Agnes. She will be happy to talk to you.

Yours sincerely,
