### **Online Spelling Homework Platform**

Dear Parents/Carers,

Your child has recently been introduced to Spellingframe at school. Spellingframe is an online platform that is set-up by the class teacher to support your child to practice their spellings at home. Spellingframe can be accessed from any desktop computer, iPad and android tablet by going to <https://spellingframe.co.uk>.

Your child will be able to log-in to Spellingframe and see the list of spelling words that their teacher has set them and take practice tests at home. We know that at times it can be challenging for parents to find time to support with homework and this should help your child learn their spellings independently.

Your child has been issued with a card to bring home which has their log-in details and should be able to show you how they log-in and how they are getting on. Please take time to look at this with your child.

On the next page, we have prepared a simple guide to support you with navigating the site.

Your child will also receive a paper version of their spellings so you can be sure which spellings they need to practice.

Yours sincerely,

*Athenas*

Ayse Thomas

Deputy Headteacher

### Tricky Words

When you get a spelling wrong on a test, it will be added to your 'Tricky Words' list. But if it is correct in two tests in a row and it will be removed. You can also add your own words you find tricky to your list.
