## Summer 2024

### English

Throughout this term, we will consolidate the writing skills that we have acquired during our time in KS2. We will be writing pieces from a variety of genres and for different purposes. We will focus on the impact that our writing has on the reader. The teaching of spelling and grammar will be integrated into each lesson.

Whole class and guided reading will take place daily and will cover a range of texts which directly link to our writing topics.

### PE

In PE we will be covering the following units of work:

- Athletics and Striking and Fielding

PE is on Thursday. PE kit should be a t-shirt, leggings/tracksuit bottoms/shorts and a pair of

### Science

In Science, we will be learning about Evolution and inheritance followed by Living things and their habitats. We will continue to devise investigations to answer scientific questions and will be developing our skills of drawing conclusions and making connections between findings.

### Computing and E Safety

In Computing, we will continue to focus on safety and making good choices online. We will consider how much time we spend on line and the impact it may have on us.

### Design Technology

In DT, we will be making our own structures and considering their strengths and weaknesses. We will also be creating Steady Hand games.

### Maths

After some work to consolidate what we have learnt in KS2 so far, we will focus on project work in our Maths lessons.

We will solve problems linked to real life scenarios and be given the opportunity to apply our mathematics skills and knowledge in different ways. We will: solve puzzles; test mathematical statements; reason and have fun playing with numbers in equations.

### History and Geography

In Geography, in our topic Interconnecting Amazon., we will be learning about agriculture across the world, then zooming into the Amazon basin, a region of South America.

In History, we will be learning Ancient civilisations in central America: the Maya.

### Music

In Music, we will be working on composition and performance skill. One of our units of work is called Dancing in the Street.

We will also be work towards the end of year production,

### Religious Education and PSHE

In RE, we will be learning about what people from different religions believe about life.

In PSHE we will continue to explore our school values. We will also complete our units on Drugs, RSE and Money. Additionally, we will complete work on Transition and preparing for the move to Secondary School.

### Spanish

In Spanish, we will be learning about different sections of a newspaper and writing our own articles

### Homework

For homework, your child is expected to read every day. Spelling can be accessed on Spelling Frame. Mathematics tasks are set online to consolidate the learning in class.

### Upcoming Trips

9<sup>th</sup> May – British Museum; 6<sup>th</sup> June – King's College London; 12<sup>th</sup> June – Natural History Museum; 24<sup>th</sup> June – Junior Citizen Event; and 2<sup>nd</sup>/3<sup>rd</sup> July – Ben Kinsella Knife Crime Workshop.
