South Haringay School

Dear Parents/Carers,

Years 4 and 6 visit The British Museum

Last week, both Year 4 and Year 6 visited the British Museum to consolidate their growing historical knowledge. Year 6 began with Anglo-Saxon England, followed by the world in AD 900, focusing on Maya, Islamic and West African culture and society. The children participated in a workshop using a range of resources; they showed that they are able historians, who can make links and connections between different civilisations and can use different sources to make inferences.

The same week, Year 4 went on their second trip of the year to the British Museum! This time, they attended a workshop about Roman Britain, which is their current topic in History. After learning about life in Iron Age Britain before the arrival of the Romans, the children learnt how the Romans changed Britain and were introduced to some of the museum's amazing artefacts from the period. The children had an opportunity to show off their knowledge of the subject by answering questions, before returning to South Haringay feeling tired but thoroughly inspired!

Marathon

Last Sunday, our year 3 teacher Emily ran the Hackney half marathon, raising money for the charity Mind. She was cheered on by several children from her class and their families who supported her as she completed the entire course. Well done Emily - such a great example of our value of contribution!

Royal Academy Art Exhibition

One of our pupils has had their artwork selected for the Royal Academy's Young Artists' Summer Show 2024. Siggie Twigger, from Rowan class, was selected for her beautiful painting: 'Cake but it's not a cake'. She was selected out of over 21, 500 submissions and will feature in their online gallery over the summer. We will give you details of how to view the gallery soon.

Sports

On Monday and Tuesday 20th/21st May, our Year 5/6 and Year 3/4 Athletics teams took part in the Quad Kids Athletics Championships held at New River Sports Centre. In this team event, we have 4 boys and 4 girls who all take part in the long jump, javelin and the year 6s take part in a 75m sprint and 600m run where year 4s compete in a 60m sprint and 400m run. Our teams were exceptional on the day and all of their practice during recent Athletics clubs and PE lessons were clear to see after some brilliant performances on the day. Our Year 5/6 team finished a fantastic 7th out of 20 schools, and our year 3/4s finished 3rd out of 20 teams, very narrowly missing out on the bronze medals. A huge well done to everyone who took part.

Visitors to South Harringay

On Monday of this week, we welcomed three colleagues from the Chiltern Learning Trust who wanted to know more about the excellent teaching of humanities at South Harringay. They visited lessons, looked at books and spoke with Ian and Kelli. They were particularly impressed with the children from year 6 who answered their questions about what they have learnt during their time at South Harringay. Thank you to Archie, Isaac, Frances, Hibba and Carys from Maple class for joining this panel discussion.
